Mouth Guards

Safety of Students: the school requires students to wear mouth guards during hockey training sessions and matches and this is part of the sportswear requirement.

NB – To avoid students missing key matches and training, should mouth guards be misplaced by students whilst at the School, an arrangement has been made for boil and bite mouth guards to be available at the School reception. These have been purchased from the firm Gilbert at bulk cost which is reflected in the price. Should a student require one of these mouth guards, charges will be placed on the end of term bill – current cost depending on requirement - Gilbert Academy Mouth Guard price £2.22 or Virtuo Dual Density Mouth Guard (suitable for braces) price £6.30.
